

Karan Gadhave

Lead Product Designer

Pune, India | gadhavakaran@gmail.com | 7744074265 | [Portfolio](#) | [LinkedIn](#)

PROFILE SUMMARY

Product Designer with 5+ years of experience designing complex web and mobile products, including user-facing platforms, admin systems, and internal tools. Strong background in UX architecture, workflow-heavy systems, and scalable design systems. Experienced in end-to-end product design as an individual contributor, working closely with product and engineering teams to deliver clear, usable, and maintainable solutions in B2B and consumer contexts.

CORE SKILLS

Product Design (B2B & Consumer SaaS), UX Architecture & Information Architecture, Interaction Design & Workflow Design, User Research & Usability Testing, Design Systems & Component Libraries, Web & Mobile UI Design, Prototyping (Figma), Cross-functional Collaboration (PM & Engineering)

WORK EXPERIENCE

Lead Product Designer — Team Pumpkin | Apr 2022 – Present

- Led end-to-end product design for complex web platforms, including user-facing products, admin systems, and internal tools.
- Owned UX architecture and workflow design, simplifying multi-step, role-based processes across products.
- Designed and shipped integrated platforms involving authentication, CRM/forms, analytics, automations, and admin controls.
- Built and maintained scalable design systems to improve consistency, accessibility, and long-term product maintainability.
- Worked closely with product managers, engineers, and founders as a hands-on individual contributor from discovery to delivery.

UI UX Designer — Pepper Penny Finance Pvt. Ltd | Jun 2021 – Mar 2022

- Designed core product experiences for a stock trading and learning platform, including dashboards, comparisons, and content flows.
- Owned UX and UI for web and mobile surfaces, supporting successful product launch and early adoption.
- Delivered high-volume interface work under tight timelines, enabling rapid iteration and validation.

UI UX Designer — DBM Infotech Pvt. Ltd | Mar 2021 – Jun 2021

- Designed end-to-end UX and UI for a mobile application, owning user flows and interface execution from concept to release.
 - Collaborated with product owners and developers to translate business requirements into clear, usable designs.
-

EARLY EXPERIENCE

UI UX Design Intern — FarmiGO | Oct 2020 – Dec 2020

- Designed the end-to-end UX and UI for a mobile application, conducting user interviews and translating research insights into structured flows and high-fidelity prototypes.
-

CERTIFICATES

UX/UI Bootcamp (Designwings) · Web & Mobile Design (Udemy)

EDUCATION

Bachelor of Arts in History — Yashwantrao Chavan Maharashtra Open University | 2016–2019
